

Notice to Members of Heron Lakes Country Club

Heron Lakes Country Club has long been recognized as having outstanding golf, tennis, fitness, swimming and fine food and dining experiences. Long known as an excellent value in the Mobile and Baldwin County area, we are now making it an even better value.

For a limited time, the Club has suspended initiation fees for all categories of membership. For golfing members we are accepting applications for membership without initiation fee and the purchase of a debenture has been delayed for two years. Should you join as a golfing member, you will have all the benefits of our regular Class A members for two years before having to purchase a debenture. At the end of two years you have the option to purchase a debenture at the then prevailing price, or terminate the membership. Until the debenture is purchased, you will not be a voting member and may not serve on the Board.
