President's Letter

In this letter I get the opportunity to let everyone know about the state of the club. Because the timing of this letter coincides with our billing cycle, I talk about the past, present and future.

THE 'FUTURE' IS SO BRIGHT WE NEED TO WEAR SHADES! I am proud to announce the addition to our staff of Robbie Fitzgerald, Director of Food and Beverage. Robbie comes to us with many years in food and beverage, most recently from the Grand Hotel Marriott Resort. During her four years with the Grand, she worked at both the main hotel and with the members at Lakewood. Robbie has a great attitude to match her extensive skill set. I am looking forward to what she can bring to the Heron Lakes dining experience. Come out, meet and get to know our new Director.

The 'present' is the month just past, in this case January. As anyone knows that has been to the club lately, the golf course is in excellent shape, probably the best shape since I have been a member, the tennis leagues are starting up and the food and beverage staff has been working hard to make every banquet and every meal a great one.

The 'past' is the last month for which the books are closed, in this case December. December was another good month. We had another month in the black extending the streak we have been on for several months. Operating in the black takes hard work from our staff and management to make sure we are spending your money wisely. It also takes members coming out and using the club.

We have planned a great Valentine's Day Dinner Special on Monday, February 14th. There is something for every taste and budget. Also, the Nite Lite Golf Event planned for Friday, March 11th, the last Friday before daylight savings time change. This year we are making some good changes to the event, so be on the look out for final details. I look forward to seeing you around the club.

Sincerely,

Phil Purpura
President, Heron Lakes CC
